A copy must be attached to the participation request in order for it to be validated.

Horses are accommodated in temporary stables. The Organising Committee declines all responsibility in the event of an accident.

### VIGIPIRATE

For safety reasons, it is prohibited to bring in, drive, and park any motorized vehicle in all the entrance halls of EUREXPO whether for the set-up or tear-down phases, except for the motorized vehicles presented for the purpose of the exhibition.

In the event that the Exhibitor (or any person authorized by it) does not comply with such prohibition, the Organisation reserves the right to remove or to allow the removing of such vehicle at the expenses and risks of the Exhibitor and without any entitlement to compensation for damages.

Equine flu vaccination is mandatory according to the protocol in force since 1<sup>st</sup> January 2013: the “vaccination” sheet should include a visa from a veterinary who is not the owner of the animal.

Therefore it is imperative for associations to inform their members.

# PARTICIPATION CONTRACT effective as of March 1<sup>st</sup>, 2017

## DEFINITIONS

**Contract:** comprising (i) the participation request accepted by GL events Equestrian Sport, (ii) the related quotation, (iii) the general provisions of this Contract, (iv) the special conditions or specific provisions covered in the annexes, (v) the documents referred to in Article 1 below as well as (vi) any requests for the provision of additional services.

**Exhibitor:** any natural and/or legal person having concluded with GL events Equestrian Sport the Contract to benefit from the provision of services within the context of the Event under consideration.

**Provision of Services:** provision of services, products rented and/or purchased by the Exhibitor from GL events Equestrian Sport, such as are detailed in the participation request or the Quotation and, as the case may be, in any purchase orders for the provision of further services.

**Quotation:** the offer of the provision of GL events Equestrian Sport services to the Exhibitor including a description and a price, decided on a case-by-case basis.

**Event:** any event or public operation organised by GL events Equestrian Sport taking place in France or internationally, such as trade shows, fairs, congresses, and exhibitions.

**PREAMBLE** – The Exhibitor and GL events Equestrian Sport (hereafter individually or collectively "the Party" or "Parties") have met to define and establish the terms and conditions of the participation request formulated by the Exhibitor with GL events Equestrian Sport. As such, the Exhibitor recognises that it has been invited by GL events Equestrian Sport to formulate its observations/comments on the draft Participation Contract during the issue of the Quotation and of this Contract.

Following their discussions, the Exhibitor and GL events Equestrian Sport agreed to collaborate together on the conditions set out below. As such, the Contract replaces any other document previously exchanged between the Parties.

In this context, the Exhibitor on the one hand and GL events Equestrian Sport on the other hand declare that they have received all the necessary information pertaining to their commitments and also that they have perfectly understood and agreed to their commitments under the terms of said Contract.

As such, the Exhibitor acknowledges that its key obligations under the Contract are as follows: (i) to provide all the information and/or items and/or to perform all the steps necessary for GL events Equestrian Sport to carry out the Provision of Services;

(ii) to make full payment of the Contract price, including, as the case may be, the insurance costs. For its part, GL events Equestrian Sport recognises that its key obligation is to perform, within the agreed time limit and according to the required quality standards, the Provision of Services agreed upon and detailed in the Quotation and, where applicable, the purchase orders for the provision of additional services.

**ARTICLE 1 – ORDER FOR THE PROVISION OF SERVICES** – Participation requests are made using special forms, either in paper or electronic form via the websites dedicated to each Event. The forms are completed and signed by the Exhibitor personally. When the participation request comes from a legal entity, it must state its legal form, its capital and its head office. The form is signed by the legal representatives. The Contract is binding and final and the Exhibitor is bound by it in full receipt by GL events Equestrian Sport of the Quotation related to this Contract, returned signed by the Exhibitor, subject to any duly justified request by GL events Equestrian Sport as set out in Article 3 below.

The Exhibitor declares that it has understood and accepted the related rights and obligations. Each participation request implies the full adherence of the Exhibitor:

- to this Contract;
- to the general regulations for the commercial Events produced by the Union Française des Méteurs de l'Élevement (French Meeting Industry Council) (UMC) 2015 version valid from 1<sup>st</sup> January 2014);
- to the safety specifications – internal regulations of the place where the Event is held;
- to the special technical regulations appearing in the "Exhibitor Area" (construction regulations, waste processing, etc.);

The Contract is therefore composed of all of the documents referred to above and all public information provisions that apply to Exhibitors organised in France. The Exhibitor also undertakes to comply with any new provision that GL events Equestrian Sport may communicate to it, even verbally, if the circumstances or the interests of the Event require it.

## ARTICLE 2 – EXHIBITORS & CO-EXHIBITORS

**2.1** In support of its participation request, the Exhibitor is obliged to forward a signed "confirmation" of brands or models, as the case may be, if it is an importer or manufacturer's agent considered as an intermediary, from each of the firms whose fabrications will be exhibited. Special forms to be requested from GL events Equestrian Sport. GL events Equestrian Sport reserves the right to control the conformity of the type of material or product exhibited in relation to the nomenclature provided in the participation request. If any of the above recommendations are not followed, GL events Equestrian Sport will have to take measures that may extend as far as closing the stand or location that is unacceptable and terminating the Contract.

**2.2** Any Exhibitor who takes part in an Event at the stand of another Exhibitor, even temporarily, must register its presence with GL events Equestrian Sport by completing a participation request and sending it to the services of the Exhibitor according to the terms set out herein. A registration fee and the insurance costs will be invoiced to the co-Exhibitor. This Contract will offer all associated benefits to all recognised Exhibitors (entry in the guide, insurance, etc.). In addition, the co-Exhibitor must comply with the obligations to leave its materials at its stand throughout the Event, and no materials will be permitted to be removed. The main Exhibitor may accommodate a co-Exhibitor on the condition that the minimum surface area assigned to each Exhibitor at the same stand is  $\geq 9$  m<sup>2</sup> (i.e. one co-Exhibitor if the surface area of the stand is  $\geq 18$  m<sup>2</sup>; 2 co-Exhibitors if the surface area of the stand is  $\geq 27$  m<sup>2</sup>).

**ARTICLE 3 – CONTROL OF THE RESERVATIONS, ADMISSIONS OR REJECTIONS** – GL events Equestrian Sport may decide at any time, including after receipt of the participation request as set out in Article 1 above, to accept or reject reservations, and no recourse is allowed. A participation request may therefore be refused by GL events Equestrian Sport, which will justify its refusal, taking into account, in particular, the provisions of Articles 2 and/or 10 below, and/or, as the case may be, with regard to the adequacy of the offer of the Exhibitor to the strategic positioning of the Event. An Exhibitor whose participation request has been rejected may not rely on the fact that it was accepted for previous Events, nor may it argue that its subscription was solicited by GL events Equestrian Sport. An Exhibitor may also not rely on the correspondence between itself and GL events Equestrian Sport, or receipt of the price corresponding to the services requested, or that its name has been published in any list as evidence that it has been accepted. The rejection of the Exhibitor's participation will result in payment of any compensation other than a refund of the amounts paid to GL events Equestrian Sport, with the exception of the costs of organising the file which will be retained by GL events Equestrian Sport. The consequences of a cancellation are set out in this Contract.

**ARTICLE 4 – DATE AND DURATION** – GL events Equestrian Sport, the organiser of the Event, reserves the right to change the opening date or duration of the Event, or to decide to extend it, adaptum it or close it early, and the Exhibitors may not claim any compensation therefrom.

**ARTICLE 5 – SANCTIONS IN THE CASE OF NON-PERFORMANCE OF THE CONTRACT**  
**5.1 EXCEPTION TO NON-PERFORMANCE** – In accordance with the provisions of Articles 1219 et seq. of the Civil Code, the performance of the Contract may be suspended by either of the Parties in the case of non-performance by the other Party of any one of its key obligations, after having sent the victim a written notice by registered post with a request for acknowledgement of receipt, within the period noted in the annexes to the said request letter.

All the costs arising from the resumption of the performance of the Contract by either of the Parties will be incurred with appropriate supporting evidence to the defaulting Party. At the end of this period, if no change has taken place to enable the resumption of the performance of the Contract, it will be automatically terminated due to the fault of the defaulting Party. This termination will be notified to the letter by sending a new registered letter with a request for acknowledgement of receipt.

In this situation, the amounts paid to GL events Equestrian Sport by the Exhibitor up to the day of the termination of the Contract will be reimbursed to the Exhibitor, less deduction of internal and external fees incurred by GL events Equestrian Sport in its performance of the Contract up to the date of termination.

**5.2 TERMINATION OF THE CONTRACT** – It is expressly agreed between the Parties that failures in relation to the key obligations of each of the Parties such as are noted in Article 1 above may entail the termination of the Contract after non-response to the formal notification to the defaulting Party sent by registered letter with a request for acknowledgement of receipt.

The termination will be notified to the Exhibitor by sending a new registered letter with a request for acknowledgement of receipt and will take effect immediately. In the event that the termination is due to the faults of the Exhibitor, the exercise of this right to terminate will entail the settlement, on receipt of the invoice by the Exhibitor, of the whole of the Contract price and of the fees incurred by GL events Equestrian Sport in its performance of the Contract up to the date of termination.

In the event that the termination is due to the faults of GL events Equestrian Sport, the sums corresponding to the Contract up to the date of termination will be owed by the Exhibitor. GL events Equestrian Sport, as the case may be, will repay any overpayments to the Exhibitor. In the event that the amounts paid by the Exhibitor up to the date of termination of the Contract are insufficient, the balance will be settled by the Exhibitor upon receipt of the corresponding invoice.

**5.3 COMPULSORY PERFORMANCE** – Given the specific nature of the Provision of Services concerned and of the indispensable know-how necessary to the performance of the obligations of GL events Equestrian Sport under the Contract, the Parties expressly agree to exclude the application of the provisions of Articles 1221 and 1222 of the Civil Code.

**ARTICLE 6 – FORCE MAJEURE** – In application of the provisions of Article 1218 of the Civil Code, the obligations of the Parties will be suspended in the event of an occurrence of force majeure. It is expressly agreed that the following events are considered to be examples of force majeure: (i) war, riot, fire, strike, natural disaster, shortage of raw materials, transportation strike, administrative closure of the site by a competent authority using necessary security powers or the public, even if the force majeure is not caused by force majeure are not, (ii) proven threat of terrorism or of the commission of an act of terrorism.

The Party that is the victim of an event of force majeure shall immediately alert the other Party by registered letter with a request for acknowledgement of receipt immediately upon the occurrence of said event, and the performance of its obligations will thus be suspended.

(ii) if the impediment is temporary, the performance of the obligation will be suspended unless the resulting delay does not justify the termination of the Contract. Where the Contract continues, the Exhibitor will pay GL events Equestrian Sport all the costs incurred during the period of suspension of the Contract in addition to all other costs that may be generated on the transfer of the Contract and with appropriate supporting documentation.

(iii) if the impediment is definitive, the Contract will be automatically terminated and the Parties released from their obligations.

The termination will entail the settlement, on receipt of the invoice, of the whole of the Contract price and of the internal and external fees incurred by GL events Equestrian Sport in its performance of the Contract up to the date of occurrence of the event of force majeure.

**ARTICLE 7 – UNFORESEEN EVENTS** – With regard to the duration of the Provision of Services concerned, the Exhibitor and GL events Equestrian Sport agree to exclude the application of the provisions of Article 1195 of the Civil Code.

**ARTICLE 8 – OBLIGATIONS OF THE EXHIBITOR** – The fact of entering into a Contract with GL events Equestrian Sport entails an obligation to occupy the stand / box / location assigned by GL events Equestrian Sport for a minimum of 12 (twelve) hours before the Event begins and to keep it in place until the closing of the Event. Exhibitors are formally prohibited from packing or removing their materials or animals before the closing of the Event. In general, the Exhibitor must strictly comply with the regulations in force and with any other regulations that are added to them or replace them, and in particular with the regulations governing subcontracting, health, safety and legal employment.

The Contract implies compliance with the public order and policing measures that imposed both by the authorities and by GL events Equestrian Sport. Any breach, of any nature, of the contractual documents as set out in Article 1 above, or of any other provision set out above or any other provision that may be lawfully imposed on the Exhibitor, may result in the immediate and automatic exclusion of the Exhibitor, temporarily or permanently, without any compensation or refund of the amounts paid, without prejudice to any damages to GL events Equestrian Sport and the application of the provisions of Article 6 above. GL events Equestrian Sport disclaims any liability for the consequences of failure to comply with the contractual documents and/or the regulations in force.

The Exhibitors are required to be present at the Event with the samples of their professional group assign them. They may exhibit only the products or animals in respect of which they have made their participation request. It may present, at its location, only the materials, products, services or animals listed in its participation request and agreed to by GL events Equestrian Sport as corresponding to the Event nomenclature; otherwise, it will be excluded from the Contract and its stand / location will be terminated. The Exhibitor may not produce, in any form whatsoever, either for third-party non-exhibitors or for the products of such third parties, unless expressly so authorised by such third parties. Accordingly, when the participation request is sent to GL events Equestrian Sport, the Exhibitor must submit the specific confirmation that has been issued to it by the third parties. The Exhibitor will be denied entry to the Event for any animal for which the up-to-date vaccination identification booklet has not been presented to the Délégation de la Direction des Services Vétérinaires (Departmental Commission for Veterinary Services) (Direction Départementale de la Protection des Populations (Departmental Bureau for Population Protection)). It is up to the Exhibitor to make all the arrangements to ensure that its packages are delivered to it on time.

**ARTICLE 10 – PROHIBITED SAMPLES** – Explosive substances, detonators and, in general, all hazardous or harmful substances are strictly prohibited. An Exhibitor that has brought such substances to its stand / box / location will be required to remove them forthwith, on simple request by GL events Equestrian Sport; otherwise, GL events Equestrian Sport will itself remove them at the Exhibitor's expense and risk, without prejudice to any proceedings that might be brought against it. The installation or operation of any item and device that could in any way interfere with the other Exhibitors and/or GL events Equestrian Sport is strictly prohibited.

**ARTICLE 11 – PROHIBITION ON TOTAL OR PARTIAL TRANSFER** – The stand / box / assigned location must be occupied by its holder, and the transfer of all or part of a stand / box / location in any form whatsoever is formally prohibited; otherwise, the stand may be immediately closed and the Contract automatically terminated early by GL events Equestrian Sport.

**ARTICLE 12 – PROSPECTUSES, LOUPESPAKES, SOLICITING** – Prospectuses may be distributed only within the stands / boxes / locations assigned to each Exhibitor. The Exhibitor may not place posters placed inside the stand and visible from the outside must be approved by GL events Equestrian Sport, which may reject them if these boards or posters disturb the good order or good conduct of the Event or are inconsistent with the nature or purpose of the Event. The same rule applies to advertising boards made available to Exhibitors in the area inside the Event. In the event of violation, GL events Equestrian Sport will have any boards, signs or posters put up in violation of the Contract removed at the expense and risk of the Exhibitor without any prior notice. The Exhibitor agrees to comply with the provisions of Law No. 91-32 dated 10 January 1991 relating to the fight against smoking and alcoholism.

**ARTICLE 14 – PHOTOGRAPHS, FILMS, SOUND RECORDINGS**

In this regard, the Exhibitor declares and warrants that it is the exclusive title holder of the rights attached to the items referred to above and, thus, that it has all the rights and authorisations necessary for the authorisation of advertising purposes of GL events Equestrian Sport, in default of which it is invited to give specific prior notice to GL events Equestrian Sport or to hold it harmless of any claim that may be brought in connection with the exploitation of the above-listed rights.

The Exhibitor waives any claim in this regard, and it waives any rights of utilisation relating to any acts of communication by the partners of the Event. Any comments or captions accompanying the reproduction or representation of the shots taken may not damage its image and/or its reputation.
